NOTES ON SPECIAL ARRANGEMENTS

Train Office.

An office has been established in Car R. 2B on the Royal Train where the Tour Manager and staff will be available to render assistance to those travelling on the Royal and Pilot Trains.

Laundry, Luggage, Postal, Radio and Telephone Facilities.

Each person travelling on either of the two trains throughout the tour will on entrainment be provided with full information on the facilities made available in this regard.

Motor Transport.

Mr. G. Leighton, Director of Government Motor Transport, is in charge of all motor transport arrangements throughout the tour, excluding the visit to Rhodesia. For this purpose he will have under his control a number of cars which will travel by road in close proximity to the trains.

Individual notifications regarding the seating arrangements for all official processions and car journeys will be issued well in advance of the scheduled starting time in each instance.

Apart from the provision of cars for official processions and journeys, every effort will be made to assist persons travelling on the two trains with such motor transport as they may require in the execution of their duties. To this end application should be made to the Transport Officer through the Train Office.

Means of Identification.

A Special Pass, countersigned by the Secretary to the Prime Minister, is being issued to each person travelling on the Royal and Pilot Trains or nominated for duty in connection with the Royal Visit. Each pass is numbered and bears the name and office of the holder. In addition, Press and publicity representatives accompanying the tour throughout, whether by train or motor, are being provided with distinctive lapel badges, while newspapermen, photographers, etc., nominated for duty in respect of any particular centre or area only, are being furnished with special armbands.
